Dr. and Mrs. O. W. Fleming were at Paris Friday.

Born, October 23, to Mr. and Mrs. G. C. Dolan, a daughter.

Mrs. R. D. Stagner of Memphis spent the week-end here with her folks.

Alvin French and Walter Davis are at Laponta, Ark., for the trapping season.

The mills here which have been operated by the late J. W. Hastings and his son, J. H. Hastings, for the past twenty years will be sold October 28 for settlement and division.

Ed Cantrell's new dwelling on Main Street is nearing completion.

Some recent real estate transfers are Mrs. Dell Cantrell's home on Main Street to D. J. Cooper. The home of Mrs. Lee Bowles to her son, E. B. Bowles.

Rev. H. L. Jones, who has been pastor of the Baptist Church here for the past two years, resigned to accept a call in Oklahoma. He was very popular with all denominations here and much regret is expressed at his leaving. D. C. Grey has been called to the care of the church.

A Parent-Teacher Association was organized here last Thursday with Mrs. O. E. Highfill president, Mrs. F. S. Parker vice president, Z. Gearheiser secretary and Mrs. C. T. Jacobson treasurer. In the opinion of Mr. Gearheiser, the greatest need of the school are concrete walks and steam heat.

J T. Wildrick of Brooks, Ind., and Miss Eula Garner were married recently at the First Methodist parsonage at Paris, Rev. Waters officiating. The bride is the youngest daughter of Mr. and Mrs. G. F. Garner, a popular teacher endowed with those traits of character which make a good helpmeet. The groom has made many friends since coming here, being connected with the dredge boat company, and seems worthy the bride he won. They have located at Paris for the present.

I invite every magistrate in the county to visit the county farm in this quarter and see what has been done and what is yet needed.

The farm was in very bad shape when I took charge. I have worked hard to build it up, but I can't work without some expense. And neither can you.

I am getting it in better shape, and want to keep it that way. The inmates get the best of treatment. Come and see for yourself, then do your criticizing.

Very Truly,
Rev. H. L. C. JONES,
Superintendent

PAUSE AND READ.

All news articles, personals and other items for publication should be handed in or mailed to The Chronicle without delay. Time is required to put them in type. If we fail to receive them at the time of occurrence they may be delayed until the following week and then they cease to be news.

Lengthy articles should be sent in the first of the week. Send in all communications not later than Tuesday. Let us have your advertisements and business notices the first of the week.

If an event of any kind occurs anywhere in the county, say on Friday or Saturday, don't wait until the middle of the week following, but fire it in at once. Just jot down the particulars and send by the first mail.

A little forethought on the part of our friends in and out of town will be appreciated by the editor and publisher. If an important occurrence transpires anywhere in the county after Tuesday, use the telephone (call 4) day or night at our expense.

Send The Chronicle the happenings of your neighborhood.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE is a Tonic and Blood Purifier, and acts through the blood upon the mucous surfaces of the body, thus reducing the inflammation and restoring normal conditions.
